County Zone Plan Praised

San Mateo County's progressive planning and zoning received commendation Wednesday on the National Conference on Planning being held in San Francisco.

After the American Planning and Civic Association's report, given by Miss Harlean James, had stated that all-round protection of roadsides against unsightly and distracting structures can be accomplished through county planning and zoning, and especially by segregating commercial structures into strictly business districts—which however is being done in only 30 counties in the U. S.—Mrs. Ralph A. Reynolds pointed out that 10 California counties, led by San Mateo, had been doing just this. Mrs. Reynolds, chairman of the California Roadside Council, said that this county had a thousand miles of restrictively zoned rural highways.

She also mentioned Monterey County's 75-mile San Simeon Hwy. zoned for scenic beauty its entire length; comprehensive restrictive zoning of rural highways in Marin County; adequate master plans being developed in Contra Costa and Santa Clara Counties, and protective ordinances being established in certain districts of other counties.

She also pointed out that San Mateo, Santa Clara, Santa Cruz, Los Angeles, San Diego and Santa Barbara Counties were among those in which zoning is helping the development of highways which will be models of beauty and orderly appearance through roadside beautification.

Car Sales Establish Three-Year Record

DETROIT—More new Plymouth cars were delivered at retail by De Soto dealers during the week ending June 22 than in any week since May, 1937, according to J. B. Wagstaff, general sales manager of De Soto Division, Chrysler Corp.

"With a new all-time high for De Soto retail sales established only three weeks ago, and now a week of Plymouth sales which crowds the best week on record, we feel justified in shouting that business is booming," Wagstaff said.

PAYS DRIVING FINE

Continued Sales Gains Shown

Moving into July, Davies Auto Co. of Redwood City continues with substantial gains in sales in both its new and used car departments, according to Al Davies, proprietor.

"Following our sensational June performance, during which month the greatest sales record since 1936 was established by Chevrolet dealers nationally, the outlook for July points to an all-time high in the sales of the popular new 1940 Chevrolet," Davies said.

Shown in the photo above is the new 1940 Chevrolet Cabriolet model in the Special De Luxe series, super-styled and equipped with all-leather upholstery—one of the very good reasons why Chevrolet is proving so popular with buyers of new automobiles.

New July Chesterfield Cigarette advertisements featuring Gary Cooper, Brenda Joyce and other famous personalities were released this week to national newspapers by Liggett & Myers Tobacco Company.

The campaign features a new theme line—"Do You Smoke the Cigarette that Satisfies."

In addition to insertions in thousands of newspapers, Chesterfield advertising continues in magazines, billboards, dealer aids, and the coast-to-coast Fred Waring and Glenn Miller radio programs.

Two grand old songs take on new meaning when an ELECTRIC RANGE does the summer cooking AUTOMATICALLY

Would you like to hum these songs—together—and mean it this Summer? This can be YOU with laughter in your eyes and a song in your heart. And at every sundown you will feel perked up because meal-times have not meant standing by a stove in a kitchen stuffy with the heat of a blazing sun!

Do as thousands of California housewives do—cook Electrically—cook Automatically. For these women have learned an Automatic Electric range is the most dependable and capable "help in the kitchen." They enjoy "hours off" while meals cook by time and temperature under precision control in the insulated oven of an electric range.

Automatic Electric cooking is a luxurious service to enjoy but is most certainly not a luxury in cost. You can afford it and you should have it.

Survey of Coastside Soil Conditions Asked

HALF MOON BAY—Owners of property along Pilarcitos Creek, who lose scores of productive acres each year because of stream erosion, Monday organized a soil control group and asked the Soil Conservation Service to make a detailed survey and cost estimate.

D. S. Wilson, district SCS engineer, told 15 of the 40 landowners affected that the remedy would be comparatively simple. The stream could be confined to its banks, he said, by proper planting of willows and other plants, and by cutting channels through pockets and tidewalls each year to speed the flow of water.

Manuel F. Cunha was elected permanent chairman and A. L. Miller secretary of the group. A. P. Dutra, William J. Debenetti and John Hamilton were named an organizing committee. The group will meet again July 23.

Attracted to Redwood City by its climate and the friendliness of its people, Gilbert Bialkin has opened The Roberta Shop at 2415 Broadway.

The store will carry a complete line of ladies' ready-to-wear—dresses, millinery, hosiery, lingerie and sports wear. Bialkin, who came here from Martinez, stated he will try to have his shop "a little different" from the ordinary.

Assisting him in the store are Miss Annabel Cooke and Miss Jewel O'Connell.

MENLO PARK NEWS NOTES

MENLO PARK—A Willkie-McNary-for-President club will be organized in Menlo Park shortly. The club already has 150 members on the roll. Many Democrats are joining in protest of the present Democratic administration. Many are getting on the band wagon, for it is pretty well conceded that Wendell Willkie will be the next president.

There were no fires of any kind on July 4 or after, due, no doubt, to the ban on the sale of firecrackers and the vigilance of Fire Chief Cuff.

Mrs. Mary Powers was buried from the Church of the Nativity Monday morning. Interment was in Holy Cross Cemetery. Mrs. Powers resided in Menlo Park for over 50 years, during that time making many friends. She is survived by a son and daughter. Her four other children passed away some years ago.

It is rumored that another service station is to be established on the western corner of El Camino Real and Oak Grove Ave. That leaves only three corners in town not occupied by oil stations and they may be purchased soon.

Bud Reynolds has gone to San

Diego to spend his vacation with his uncle, Paul Walsh, who is an officer in the U. S. Navy, now stationed at the southern city. Misses Agnes and Bessie Mason have returned from a trip to Mexico and later will open their cottage at Seabright for the remainder of the Summer.

Mrs. Leonard Leavy passed away at her home at Lindenwood, the Flood place, last Monday. She was the widow of Leonard Leavy, who for 35 years held an executive position in the San Francisco city government. His father was U. S. appraiser at the Port of San Francisco in the early nineties.

Miss Phyllis Underhill, daughter of Mr. and Mrs. H. A. Underhill of Menlo Park, became the bride of Woodrow Beeson Monday in Los Angeles. The pretty bride is a graduate of Sequoia High School and well-known on the Peninsula. The young couple will make their home in the southern city.

A number of persons in Menlo Park who had contemplated going to Europe this Summer have changed their plans because of the war over there and have decided to go to Honolulu in-

VFW Blood Donors' Club Wins National Recognition

When Redwood City's Corp. James L. Wilson Post 2310, Veterans of Foreign Wars, and its Auxiliary organized a Blood Donors' Club to provide blood for emergency transfusions for people unable to pay, it started something!

Correspondence received by Clayton H. Heald, district VFW commander, who originated the idea of the club here, dis-

closes that national publicity has been received for the local project and that it may be the forerunner of similar clubs in other localities.

The local project was the subject of a brief article in the May issue of the VFW magazine, "Foreign Service," which prompted Victor E. Devereaux, director of the national VFW Department of Americanism, to write the local post for more information for his Americanism page of Foreign Service for August.

In a copy of the article which will appear in the coming magazine, Devereaux brands the project "one of the finest of community activities in Americanism that I can think of" and recounts success of the Redwood City project: Organized Mar. 19, 1940, the Blood Donors' Club has 48 members listed, with their blood typed, and has given 18 transfusions, which Devereaux points out have "saved 18 lives and made a number of unfortunate fam-

ilies happy." "This is real Americanism in a big practical way," he declared. "It is characteristic of an organization so fine as our own whose members represent that great company of patriots and soldiers who have kept our country safe and whose members now offer their blood for those more unfortunate than themselves. It is a tribute to the American soldier of all time! He has given his blood for his country."

The local club's members are willing upon call to provide blood for transfusions to people unable to pay. The roster of members

Ice Show Continues To Draw Big Crowds

Biggest attraction for entertainment seekers continued this week, according to boxoffice reports, to be the glamorous Ice Follies of 1940, new edition of the famous skating show, now appearing nightly at Winterland, Post and Steiner Sts., San Francisco.

The smooth-flowing, richly-costumed revue is steadily adding to its audience total of more than 1,500,000 within the past 12 months.

The current edition is entirely different from the one which delighted 400,000 persons in San Francisco last year. Production, costumes, lighting, music and all features have been changed, but the same cast of stars remains.

Amazing to those who see the follies for the first time is the transposition of dancing routines to ice skating. Experts explain that figure skating is based upon dance steps, with a rapid and continuous rhythm. The seemingly effortless flow of action creates the illusion of dancing in the air.

One of the unusual features is the series staged by Harris Legg, champion trick skater, speed skater and barrel jumper.

In the current edition of the Ice Follies, Legg again leaps over a long row of hurdles and a circle of flame. Besides, he performs as a giant Snowman, wearing still skates which elevate him several feet.

Ice Follies tickets are available at Sherman Clay and by mail addressed to Winterland.

When a Foot Becomes A Canal Boat

Mitchell's Bootery on Broadway, Redwood City, is displaying in its window a shoe especially manufactured for the giant of modern times, Robert Wardlow, the 19-year-old school boy from St. Louis. The shoe is size 30, and Wardlow has already outgrown it. He now wears size 36. It is a huge shoe and should be seen by everyone.

Young Republicans To Meet Here Monday

Instead of being held Friday at 8 p.m. in the city hall as had been provisionally planned, the meeting in Redwood City of San Mateo County Young Republicans and other young people interested in the coming campaigns will be held Monday at 8 p.m. in the Central School on Broadway, Floyd F. McCue, who is arranging the session, announced here. At that time Redwood City's part in a "Jack Anderson Day" set for next Wednesday is expected to be planned. The occasion will mark the visit of Congressman Anderson to San Mateo County during the week he plans to be back in his district.

Candidate Reprimanded
But Excused From Jury

Eugene D. Badger of Redwood
City, Democratic candidate for
assemblyman, was excused from
jury duty Tuesday afternoon
because he is a candidate, but
not until he was lectured by
Judge Warren V. Tryon, sitting
for Judge A. R. Cotton in De-
partment 2 of the superior court.

Badger, listed on a special
panel after the regular panel
called for a \$25,000 automobile
accident suit had been ex-
hausted, asked to be excused
through Atty. Jerome F. Mac-
donald, claiming it would be for
the best of all concerned.

"I do not agree with you," de-
clared the judge. "No doubt if
you are elected you will find a
lot of things brought before you
concerning trial juries and other
legislative matters. What will
you do when in the legislature
you have to vote and your con-
stituents don't like it?"

Badger said he would wait until
elected to find out.

One of the attorneys in the
case is Francis N. Foley, whom
Badger helped to oust from the
chairmanship of the Democratic
Central Committee. Macdonald
hinted that it was more than
mere chance that Badger was
summoned on the jury panel.

The jury was taken to the
scene of the accident in San Ma-
teo this afternoon. The suit was
brought by Louis Larson Jr.
against Harry Hordon, the Gym-
khana Club of San Mateo, and
Edwin Peabody for injuries suf-
fered in 1936.

Pool Sought At Belmont

BELMONT—A move to secure funds for construction of a public swimming pool on the new school site on Ralston Ave. was started Tuesday when some 60 persons attended the meeting of the Belmont Chamber of Commerce.

A committee headed by Dr. Gaston Pope was appointed by Chamber Pres. Harry Welch to investigate possibility of building such a plunge and securing money through a bond issue or other means to finance its construction. The site is expected eventually to become a sort of combined recreation center and school.

In the meantime, attempts will be made to open the pool at Belle Monti Country Club for the summer, it was decided, and Postmaster Frank O'Brien was named chairman of a committee to attempt to arrange financing of the maintenance of the pool for two months so it can be used by the public.

Alexander Morrison, chairman of the community picnic committee, said that a caravan would leave the Belmont School Sunday, Aug. 4, at 10:30 a. m. for Memorial Park, where a picnic lunch will be enjoyed, refreshments served, and games and competitive events staged, with first and second place awards being given in the 30 or more contests planned.

Jack Marston, assistant fire chief, described work and organization of the Belmont Fire Department, and a discussion was held on the need of zoning blocks for business in the city.

On Saturdays in good weather, a group of men in Franklinton, N. C., play marbles. The oldest player is 84.

Council To Add 3 More Stars to Flag In M. P. City Hall

MENLO PARK — Menlo Park City Hall is to have its 45-star flag repaired. The huge American flag which decorates the wall of the city hall chambers directly behind the council table, is apparently a relic of the days when the United States consisted only of 45 states.

Councilman Henry Carroll asked his fellow city officials that the flag be repaired "so that we won't be ridiculed anymore."

However, Capt. Hugo May, former army officer, informed the council:

"That flag's still good. The army's using the same kind until the surplus is used up."

Asked what it was used for, the Captain replied: "for covering caskets and things of that kind."

At any rate, three more stars will be sewn on the flag, bringing it 40 years or more up to date.

Last Rites Are Held For Mrs. Mary Powers

MENLO PARK — Funeral services were held Monday morning from Palo Alto for Mrs. Mary Powers, resident of Menlo Park for many years and widow of James Powers. She died at home Saturday.

Surviving are her son, James Powers, and a daughter, Mrs. Agnes Vandamme. She was the mother of the late Mrs. Charles H. Smith, the late Mrs. George Blanchard, and the late William H. Powers. She was a native of Ireland.

Services were conducted from the Tinney parlor in Palo Alto.

Windup Is Slated

Windup of the affairs of the 1940 Fourth of July Celebration committee will take place Thursday of this week at a 6:30 p. m. "Dutch treat, a la carte" dinner at Canepa's, on Middlefield Rd. at the Redwood City city limits, Chairman Ole S. Oleson announced today.

He said that only those men who worked actively on the committee are urged to attend, but also any person who aided in any way—running concessions, booths, etc.—and also anyone else who desired.

"This is an open meeting, and anyone is welcome," Oleson said.

If one does not desire to come to dinner, he may come at 7:15 to participate in the business meeting which will follow.

A complete financial report is expected to be rendered at that time. In this connection, he urged anyone having bills against the committee to submit them to him before this time so that they may be paid.

At Church of the Nativity, Menlo Park requiem mass was said. Interment was at Holy Cross Cemetery, Menlo Park.

Jehovah's Witnesses To Meet in San Jose

A "theocratic convention" expected to be "a great educational and constructive affair with speeches by men in the forefront of the work, study and working demonstrations" will be held in San Jose Civic Auditorium July 24-28 by Jehovah's Witnesses, religious organization which has members here and an office at 1034 Main St., Redwood City.

The San Jose meeting will be one of 30 being held at the same time throughout the country so that no convention will be obliged to travel far. All convention cities will be tied in with the key assembly at Columbus, O. In that city, Judge Rutherford, president of the Watch Tower Bible and Tract Society, will speak at 1 p. m. (PST) Sunday, July 28, as a climax to the convention. His topic will be "Religion as a World Remedy—the Evidence in Support Thereof."

Yee & Ko Herb Co.

Dear Sir: I want to thank you for curing my hands of eczema. After suffering for 35 years with cracked, bleeding hands and waking up in the night with terribly itching hands, it's no wonder I am thankful to you.

I have tried doctor after doctor, everything advertised for eczema in papers; in fact, I tried everything, and after the first three doses of your medicine I could see my hands get better. After about five weeks of your medicine, my hands are entirely well and haven't any sign of it coming back.

Again I thank you. I am, sincerely yours,

(Signed) MRS. M. BABCOCK, Vaughn, Wash.
